

License Certificate

Capacity on Demand Right-to-Use License for the Sun Fire™ 15K/12K/6800/4810/4800/3800 Systems

Proof of License Certificate

Keep this certificate in a safe place. You will need the information supplied on the Right-to-Use license sticker and the host ID of the first domain of the system (domain A) to obtain your COD software license key.

APPLY LICENSE STICKER HERE

This Right-to-Use (RTU) License Certificate allows the Sun Fire™ 15K*, 12K, 6800, 4810, 4800, or 3800 system customer to use one Capacity on Demand (COD) processor license. This certificate is proof that you have obtained the right to use one COD processor license. Your rights are granted and restricted by the Terms and Conditions outlined in the COD contract addendum that you received with your COD system.

To receive your COD license key(s), please contact the Sun License Center (telephone, fax, or email addresses on the reverse side) and request a Sun Fire system COD license key. You can obtain documentation on COD and Sun Fire systems at this web site: <http://www.sun.com/documentation>.
